

DIGIEVER Solution and NDAA Compliance (National Defense Authorization Act)

NDAA Summary

The John S. McCain [National Defense Authorization for Fiscal Year 2019](#), also known as *The National Defense Authorization Act* (NDAA), was signed into law on August 13, 2018 and made effective on August 13, 2019.

In order to prevent cyber-attacks from foreign adversaries which pose risks for the U.S. Federal Government and government-related facilities, Section 889 prohibits the purchase and use of video surveillance cameras or components manufactured by specific Chinese suppliers.
